Profile

B2B Marketing Specialist with 3+ years of experience in digital marketing, SEO and content creation within international and industrial-focused environments. Background in industrial B2B marketing, supporting growth through structured content, analytics and inbound visibility. Experience working closely with sales, product and external partners. Hands-on, proactive and results-driven, with a strong interest in sustainability and clean technologies.

Key Skills

B2B Digital Content Creation

Creating and coordinating LinkedIn posts, articles and marketing content for professional audiences.

Marketing Analytics & Tools

Experience with Google Analytics, SEO tools, content performance tracking and reporting.

SEO & Inbound Marketing

Structured SEO planning, keyword research, and analytics to support inbound lead generation.

Cross-functional Collaboration

Working closely with sales, product teams, designers and external agencies.

Industrial & Technical Marketing Communication

Translating complex or technical topics into clear, accessible value-driven messaging.

Hands-on Execution & Experimentation

Strong execution mindset: testing, measuring, iterating and improving based on results.

Experience

Marketing Communications Specialist - Mirka Ltd

Nov 2024 – Apr 2025

- Supported global B2B marketing activities in an industrial manufacturing company.
- Created and coordinated digital content for product launches, exhibitions and campaigns across multiple markets.
